

Pricing Seminar 2017

Participants will be staying at the Historic Park Inn in downtown Mason City.

Historic Park Inn Hotel

The Historic Park Inn Hotel, together with City National Bank in Mason City, IA, were designed by American architect Frank Lloyd Wright and completed in 1910. The design greatly influenced architecture in Europe and is as striking today as it ever was.

The Historic Park Inn Hotel is the last Wright designed hotel in the world. A complete renovation, including restoration of the distinctive brick and terra-cotta façade as well as art glass windows has restored the Prairie School building to a functional hotel.

April 24-26 or October 2-4

Instruction will include the CURRIES Technical Manual and introduce students on how to use the CURRIES Website and Partner Area to find information needed for CURRIES Products. The pricing segment of the seminar will review pricing procedures along with advanced techniques and tools to help in pricing CURRIES Doors and Frames. A session on fire codes, hurricane and tornado codes will be discussed along with troubleshooting a door and frame. Included with all CURRIES Seminars is a tour of the CURRIES door and frame manufacturing facility.

A minimum of 6 months experience is required in hollow metal.

Optional PRO-TECH Training April 26-28 or October 4-6

Optional two day PRO-TECH Training Classes will begin after the CURRIES Pricing Sessions. The class will start at noon each Wednesday and end at 11 a.m. each Friday. The class is geared toward the latest version of PRO-TECH and is intended for new users and those that have attended a prior PRO-TECH training session and need a refresher course.

Training will include:

PRO-TECH Overview, Company Setup, User Security, Project Tasks/Calendar, Working with the New Spreadsheet Type Grid, Estimating Hardware, Estimating Doors and Frames, Designing Quote Forms, Detailing Hardware, Door and Frame Detailing, Processing Hardware, Ordering, Receiving, Shop Orders, and Shipping.

*Registration Deadline: March 10, 2017 for the April Seminar
August 25, 2017 for the October Seminar*

Transportation

All seminars will be held at the CURRIES facilities in Mason City, Iowa.

Transportation to Mason City from the Minneapolis St. Paul International Airport will be provided. We will provide return transportation to the airport at the end of the session.

Attendees will have the opportunity to meet and socialize with the CURRIES Management Team and Customer Service professionals.

Additional details will be outlined in a confirmation letter after registration and acceptance into the seminar. Please do not make any reservations until you receive your confirmation letter from CURRIES.
